2008 SUMMER CAMP PROGRAMS

BOY SCOUT & WEBELOS
OUTDOOR OPPORTUNITIES

GENERAL INFORMATION

STAFF: A nationally certified Reservation Director administers summer camp at Yawgoog and all Key Staff are certified in their respective area of expertise and responsibility. Our Staff is carefully selected and reflects the principles of dedication established throughout the Scouting program. A full-time health care provider is always on duty at our Health Lodge, and Resident Physicians are available on a full-time basis. There are also full-time resident Jewish, Catholic and Protestant Chaplains on the Yawgoog Staff and religious observances of each of these faiths are conducted regularly.

FACILITIES: Our facilities are second to none. Yawgoog Scout Reservation consists of 1800 acres of mixed-use properties surrounding beautiful Yawgoog Pond. Resident Rangers attend to the maintenance and development of our properties. Strict standards regarding health, safety, and cleanliness are maintained.

CAMPING WITH YOUR TROOP: Chartered Troop camping is the most common way to spend a week at camp. Take home memories and knowledge, which can only be gained through Troop fellowship. Come to Yawgoog and experience the thrill of a lifetime with friends and familiar Leaders; nothing can beat TROOP CAMPING! If you will be attending with your Troop, all of your registration procedures will be conducted through the Troop. Remember, when camping with your Troop, all fees, registrations, medical documents, etc. must be handled by your Scoutmaster (or designated adult). Be sure to check with your Troop Leaders regarding your Troop's fee schedule, sign-up procedures, and any other important information about camp registration.

ATTENDING ONE OR MORE OF OUR SPECIALTY PROGRAMS: Webelos Outdoor Adventure, Baden Powell or CIT Corps: please refer to pages 7 and 10 for details.

REGISTRATION: Registering to attend Yawgoog is easy. How you do it depends upon whether you will be attending with your Troop, as an individual at Baden-Powell, or a participant in the CIT Corps. If you will be attending with your Troop, let your Scoutmaster know of your intentions and pay the camp fees according to the plan established by your Troop. Your Troop leaders will handle your registration. If you wish to attend Baden-Powell or the CIT Corps, fill out the application form in this booklet and submit it to the Council Service Center or, after June 1, submit it directly to Yawgoog Scout Reservation. A non-refundable deposit must accompany each individual application. When your deposit is received, you will be sent a packet of information. It will contain all the information you will need to have a successful, fun and rewarding week at camp. Please refer all questions to: Reservation Director, Yawgoog Scout Reservation Narragansett Council, BSA, P.O. Box 14777, East Providence, R.I. 02914. Phone: (401) 351-8700 extension 22. Email: tsisson@narragansettbsa.org

NON-DISCRIMINATION POLICY: The programs of the Narragansett Council are available to all children and youth without regard to race, color, religion, handicap, age or national origin. Our programs at Yawgoog Scout Reservation are open to all registered Scouts.

HEALTH FORMS: All resident campers and leaders at Yawgoog Scout Reservation *must submit a health form (#34412 Class-3) at check-in, an annual health history signed by parents or guardian supported by a medical evaluation completed within the past 36 months by a licensed health-care practitioner(12 months for Leaders 40 years of age or older)* . A parent or guardian must sign the Scout's health form. Under no circumstances will a Scout or Leader be permitted to remain in camp unless a properly completed health form is on file.

SUNDAY IS VISITOR'S DAY: Sunday marks the end to a full week at Yawgoog and Mom and Dad and the entire family can join in all the excitement. Come early and enjoy Chief Yawgoog's famous chicken barbeque. Reservations must be made no later than Wednesday of your week in camp. The barbeque is served from 11:15 to 12:15. The Dress Parade begins at 12:30 PM.

BADEN POWELL PROVISIONAL CAMP

Are you working on those last few merit badges required for Eagle?

Do you want to earn the Silver C.O.P.E. Award or Lifeguard B.S.A.?

Do you want to spend your summer doing something more exciting than watching television?

Is one week at Camp Yawgoog just not enough?

**If you answered yes to any of these questions than Campsite Baden-Powell,
Yawgoog's Provisional Program is for you.**

Baden Powell Provisional camp is named for Lord Robert Baden Powell, founding father of Boy Scouting. Campsite Baden Powell was created for those scouts whose Troop does not camp at Yawgoog or for a Scout who would like to spend additional weeks at Yawgoog. Team up with buddies and pals and spend that extra week (or several weeks) at camp doing those fun things that you haven't had time to do. Work on Eagle required merit badges, earn BSA Lifeguard at the waterfront or earn the Silver COPE award at our Challenge Center. Baden Powell works very much the same way your Troop would work while at Yawgoog. There are Patrol Leaders, Assistants, and a SPL. Each week Baden Powell has it's own theme that adds to the excitement of the week.

If you would like to spend the extra time at Camp to have the opportunity to take advantage of the program that is offered or just to enjoy the fun and fellowship of Scouting **BADEN POWELL IS FOR YOU**. Sign up now. Take advantage of the **HALF PRICE** discount for your second or more weeks at camp. If you plan on attending with your Troop, you can attend Baden Powell before your Troop's week at camp or after your Troop's week at camp.

COUNSELOR-IN-TRAINING CORPS

Have you ever considered working on the Yawgoog Staff?

Are you interested in developing your leadership skills?

Do you like to be challenged?

Is one week at Camp Yawgoog just not enough?

If so, and you are 14 years old, the Counselor-in-Training Corps is exactly what you are looking for,

Take the opportunity this summer to challenge yourself, learn about leadership and implement the skills you've learned. Founded in 1959 and originally known as the Apprentice-in-Training program, the CIT Corps is the oldest program of its kind in the United States. Designed for those 14-year-olds interested in gaining actual leadership experience, graduates often find themselves more at ease as junior leaders within their troops and many come back to Yawgoog for one or several summers on our top-notch staff.

You will enter into a two-phase program. The program begins with the "Basic" week where you will spend time learning such skills as how to become an effective leader, communication and instruction skills, and how to plan a campfire.

What you learn in the basic week will be put into action during your "Field" week(s). You will be assigned to a program area within camp and you will work with that staff in that department in an apprentice role.

Learn, grow and develop your leadership skills and abilities in the CIT Corp. The skills you learn will last you a lifetime.

Send this application and the applicable fees (or a non-refundable deposit of \$50.00)

Yawgoog's Eagle Merit Badge Program.

Attend Yawgoog with your Troop and work on **Eagle required badges** you need for your next rank advancement. Not all badges will be offered each week at Yawgoog but all Eagle required Badges will be offered at least three times during the eight weeks of summer camp. You may elect to attend **Baden Powell Provisional Camp** during a week that a badge is offered. See the schedule below.
