

Get ready to "pass go" and have some fun at the

**Fall Camporee!**

Come join Troop 421 and Venture Crew 86 as they host Lighthouse District's 2008 Fall Camporee. This year's theme is based on the game MONOPOLY.

Participants will have an opportunity to "play" the game following the directions of the Game Master and completing the various tasks given to them or by drawing Chance or "Foot Locker" cards. The weekend will include tests of the many skills used on a campout: knot-tying, map and compass, cooking, first aid, and more. So plan on joining in on the fun and see if your troop or crew can be the "Master" of MONOPOLY!!
